

Website Design Introduction

Assignment 5: creating columns using class selectors

Working on existing assignment 4, please:

1. Correct all the errors on your assignment 4 web page if any
2. Wrap entire body in a **container** DIV and center the design
3. Zero all padding and margins using *
4. Add required padding and margins to all tags (paragraphs, heading, lists, links) and DIV boxes to enhance the look of the web page.
5. Add `<div id="content2"> </div>` above the **copyright section**
6. Create **3 columns** inside this **content2** DIV area **using class**
7. Include the following information in each column as shown below
8. Create a **Read More** link button in the bottom of each recipe and link it to the corresponding website and style the buttons for mouse hover effect.

Upload the page as *assignment5.html* to Langara server and email me the **link**.

OTHER RECIPES

<p style="text-align: center;">Name of a recipe</p> <div style="border: 1px solid black; width: 80%; margin: 10px auto; height: 100px; text-align: center; line-height: 100px;">Image</div> <div style="border: 1px solid black; width: 80%; margin: 10px auto; padding: 5px;">A short paragraph to explain about this food recipe.</div> <div style="border: 1px solid black; width: 80%; margin: 10px auto; text-align: center; padding: 5px;">Read More</div>	<p style="text-align: center;">Name of a recipe</p> <div style="border: 1px solid black; width: 80%; margin: 10px auto; height: 100px; text-align: center; line-height: 100px;">Image</div> <div style="border: 1px solid black; width: 80%; margin: 10px auto; padding: 5px;">A short paragraph to explain about this food recipe.</div> <div style="border: 1px solid black; width: 80%; margin: 10px auto; text-align: center; padding: 5px;">Read More</div>	<p style="text-align: center;">Name of a recipe</p> <div style="border: 1px solid black; width: 80%; margin: 10px auto; height: 100px; text-align: center; line-height: 100px;">Image</div> <div style="border: 1px solid black; width: 80%; margin: 10px auto; padding: 5px;">A short paragraph to explain about this food recipe.</div> <div style="border: 1px solid black; width: 80%; margin: 10px auto; text-align: center; padding: 5px;">Read More</div>
